

**LOCAL AMENDMENT
to the
NEIGHBORHOOD STABILIZATION PROGRAM 2 (NSP2) ACTION PLAN**

THE HOUSING AUTHORITY OF THE CITY OF PRICHARD

The Housing Authority of the City of Prichard (HACP), hereby, posts this modification to its Neighborhood Stabilization Program 2 (NSP2) Action Plan to arrest neighborhood decline and eliminate destabilizing factors in target census tracts in the City of Prichard.

On February 11, 2010, the Housing Authority of the City of Prichard was awarded a \$20,000,000 grant by the US Department of Housing and Urban Development to carry-out eligible neighborhood activities in target neighborhoods. HACP's NSP2 Action Plan called for acquisition and rehabilitation of foreclosed properties in declining neighborhoods and acquisition of foreclosed properties, demolition of blighted foreclosed houses and redevelopment/new construction of affordable housing in distressed neighborhoods.

To more effectively and efficiently implement the neighborhood stabilization strategy, the Housing Authority of the City of Prichard has modified the NSP2 Action Plan to include all eligible activities to be carried-out in all census tracts in the City of Prichard.

The modified NSP2 Action Plan allows for acquisition and rehabilitation of foreclosed properties, acquisition of foreclosed properties, the demolition of blighted foreclosed houses and the new construction of affordable housing in the following census tracts: 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 61.03 and 61.05.

This Local Amendment was finalized after a public meeting held to Tuesday, August 16, 2011, at 5:00 PM at 200 West Prichard Avenue and after the public comment period that ended on August 23, 2011.
